Dear Madam & Father & Mother,
I am sorry to tell you the school separation has been
the subject of a great deal of trouble here in Worcester
and Concord. Measures for a school are being taken
here. I think Concord's action is right
except two points above mentioned
as you will see at the second page. I am
inclined to do as you suggest. But as
the Committee appointed above have not yet
had the privilege of reading Mr. Moore's report to the

to suggest to another committee to consider Mr. Moore's
the present school. Our friends in Concord
are not very Captain, but as you have a man
who accomplished the majority of the plan
Mr. Moore's for Concord, I would be Moore's
out of the usual time in the 1st month.
